MOTION TO RECONSIDER ORDER TO DISMISS
FOR FAILURE TO STATE A CLAIM ON RULE 12(b)6

1. HERE I COME, and for my *Motion to Reconsider Order To Dismiss For Failure To State A Claim On Rule 12(b)6*, **STATE** that it is really something when **The Rules of Civilian Process** get mis-used the way they do!!!

2. Attached to this Motion is **Exhibit 1**, which is an original **FILE MARKED COPY** of the **COMPLAINT** that I filed!!!

3. So, I did too **STATE A CLAIM** and I even **STATED** it in writing and everything!!! If somebody says I didn't **STATE** a claim, then they are just lying like a dirty dog!!!

4. Plus, I even gave a copy to **ALL** of the Defendants, and if it was one of them that told you I didn't **STATE** a claim, then they are committing an **Intentional Infliction of Perjury**, which is about what I expected out of them!!!

5. So, please **UN-DISMISS** my lawsuit ASAP!!!

Respectfully submitted,
